

Summer 2020 : Vouchers for Free School Meals

As you are aware, we are providing vouchers over the Summer Holidays for children who are entitled and named on the school's official free school meals' list. (ie meet the criteria for free school meals).

Unfortunately, due to the very complicated system of ordering and stipulated timescales given by the company, we have been informed that we are only able to receive these vouchers on Tuesday afternoon next week and even then, this is not 100% guaranteed. We apologise for this but it is out of our control.

The vouchers will be available for collection only from our school's main office on Wednesday, 22nd July 2020, between 9.00am-12.00pm. Please note, school will be closed after this for Summer.

You will only be able to collect your own child/ren's voucher(s) and a signature will be required on collection, to comply with our audit procedures. Please bring some form of ID.

In the extreme circumstance you are not able to collect yourself, please let us know who will collect on your behalf and ask them to bring some form of ID with them also.

One voucher will be available per child and this will be for the full value of school meals over the Summer holidays.

If you would like to check if your child's name is on the list, please ring the school before the end of term on 01942 720871.

Scam Emails Free School Meals

We have been informed by the DfE that some parents have received an email stating the following :

“As schools will be closing, if you are entitled to free school meals, please send us your bank details and we will make sure you are supported”.

We can confirm that this is a scam email and is not official.

We urge parents that if you receive any emails like this, please do not respond and delete it immediately.
